Dear Parent/Carer

Educational visits for 2023 – 2024

In order to give you as much information in advance as possible, below are a list of trips that we have currently planned for the 2023 – 2024 Academic Year. We hope that by informing you of these trips now, you will be aware of cost implications and be able to plan accordingly. Within the next few days, you will be able to start paying for some of these trips and this will allow you to spread the cost of your payments. Whilst we do set aside funds to help run our trips, we are unfortunately unable to cover the full costs of these.

As with all our trips, these can only go ahead if we receive sufficient contributions from parents. Contributions are voluntary but if insufficient contributions are received, we will unfortunately have to cancel the trip and any payments that have been received would be refunded to you. We hope that this will not be the case and that all trips can go ahead as planned. All donations are greatly appreciated. If we can cover the full cost together, we will be able to enhance your child's learning in the way in which we believe is most beneficial to them.

Yours sincerely

Mr K Ola
