

Upcoming Online Safety Q+A events for Parents

In our 2023 Keeping Safe Survey Lincolnshire showed that effective parental/guardian supervision of a child's online activity reduced the risk of children being bullied online by up to 39%. Being able to keep up to date with the latest apps and trends in order to keep your children safe can feel like an overwhelming task. The Stay Safe Partnership deliver Online Safety workshops in Primary and Secondary schools across Lincolnshire everyday. In this event we will give you the most up to date information and tools, so you feel confident that you can keep your children safe from online harm whilst still allowing them to explore the online world. Whether you want to know more around age appropriate apps, online trends, parental controls, social media or any other burning questions this is the event for you! Sign up is required.
