Virtual (FREE)

“LPCF Week of SEND 2024”

Monday 29th January to Friday 2nd February

Week of SEND

For Parents and Carers of children with Disabilities/Additional needs and for professionals who work with them.

We will have a diverse range of services, organisations and support groups attending our online Zoom sessions at different times throughout the day and evening (10.30am—9.00pm).

The aim of the event is to give attendees as much information, support and help as possible.

Sessions include organisations showcasing their help and support in 10 minute, bite size presentations.

Many workshops on specific topics requested by the membership will also be held throughout the year (these will need to be booked).

Our website information page will contain more details of the organisations attending over the next few weeks.

The Zoom invitation links will be added, then just click on the link and wait to enter the virtual waiting room.

Sit back and relax with your cuppa and find out what you’re missing!
