Dear Parent/Carer

Swimming in 2023 – 2024

This year our swimming curriculum will take place in a new format. We will be using Elite Swimming UK, a facility that will come to Mercer's Wood Academy. The pool, changing facilities and everything we need to deliver the lessons will be located within the school grounds and lessons will take place during the summer term on a more frequent basis.

We believe the children will benefit from this new format and hope that you will support us with this.

We will be able to provide further information on the above during the Spring Term 2024.

Yours sincerely

Mr K Ola
Head of School
