To the Parent/Carer of children in Badger and Deer Class

Dear Parent/Carer

Year 5 & Year 6 Visit to Gainsborough Library

The children in Badger and Deer class have been invited to take part in an exciting Art Project on Wednesday 4th October at Gainsborough Library.

Gainsborough's Townscape Heritage will be at the Library and their aim is to create a giant mosaic design with the help of the town's schools. The mosaic will depict the River Trent as a timeline highlighting people and dates which feature in Gainsborough's history. The finished artwork will be a prototype to help in a proposal for a real mosaic river timeline in the Market Place.

The children will leave school at approximately 1.00 pm and will walk to the library with members of the school staff. The children will return to school before the end of the school day.

Please ensure that your child is wearing full school uniform as they will be representing the school in public, a warm waterproof coat and suitable shoes for walking.

Yours sincerely

Mr K Ola
Head of School
