

Key Instant Recall Facts (KIRFs)

Year 1 Spring term 2

I can automatically recall addition number bonds for numbers to, at least, 10.

This term's KIRF is to know pairs of numbers that add together to make numbers up to, at least, 10.

<u>10</u>	<u>9</u>	<u>8</u>	<u>7</u>	<u>6</u>	<u>5</u>
0 and 10	0 and 9	0 and 8	0 and 7	0 and 6	0 and 5
1 and 9	1 and 8	1 and 7	1 and 6	1 and 5	1 and 4
2 and 8	2 and 7	2 and 6	2 and 5	2 and 4	2 and 3
3 and 7	3 and 6	3 and 5	3 and 4	3 and 3	
4 and 6	4 and 5	4 and 4			
5 and 5					

Top Tips

The secret to success is practising little and often.
Look out for numbers in the environment. E.g. I can see 7 birds. 3 in the sky and 4 in the tree. 3 and 4 make 7.

Questions to Ask

How many more do I need to make ___? (E.g. 8)

How do you see the 6 ____? (E.g. birds)

Game / Activity Ideas

Draw number bond rainbows.

Roll a dice. How many more do I need to make ___? (E.g. 9)

Find a set number of objects around the house. Split them into 2 groups in different ways. Say how you've made the total. E.g. 6 and 3 make 9.
