Top Tips

- The secret to success is practising little and often.
- Use time wisely. Practise on the way to school or during a journey.
 - Every time you say a number word, use your fingers to represent it too.
 - Model counting to ten putting up fingers as you count.
- Hold a number of your own fingers up to your child for them to tell you how many and copy.
- Play number games with your child. Rather than them saying the number, they show you on their fingers.

Questions to Ask
