Term 1

Learning Journey – Geography, Science & Art

This term the children will be answering the question, **'Would you rather live in the UK or Ghana?'** This learning journey will incorporate the children's geography, science and art learning. In geography, the children will be comparing the physical and human geography of Lincolnshire and Ghana. Their science topic is 'living things and their habitats'. To help them answer their learning question, they will be learning about the different habitats in the UK and Ghana and what lives in them. Their artwork will focus on drawing. Through the study of a local landscape artist, the children will be exploring different drawing techniques and careful observation to create a piece of work inspired by the Lincolnshire countryside.
